

# HISTORIC TRIANGLE JAMESTOWN 2007

## *Host Committee*

---

### **HISTORIC TRIANGLE 2007 BEAUTIFICATION AWARDS**

The 2007 Commemoration of the 400th anniversary of the founding of Jamestown will give us an opportunity to honor efforts by businesses, groups and individuals who have demonstrated a significant commitment to the beautification of the Historic Triangle area by planting red, white and blue Anniversary Gardens. The Historic Triangle Jamestown 2007 Host Committee will present special awards for the 2007 Commemoration in the categories listed on the reverse side of this form. Citizens are encouraged to submit nominations in these categories by completing this form for each nominee. Award recipients will be honored at a special ceremony in the Fall of 2007.

DATE SUBMITTED \_\_\_\_\_ CATEGORY NUMBER \_\_\_\_\_

NAME OF NOMINEE \_\_\_\_\_

ADDRESS OF NOMINEE \_\_\_\_\_

JURISDICTION (Circle One) James City County / City of Williamsburg / York County

CONTACT PERSON IF ORGANIZATION \_\_\_\_\_

TELEPHONE NUMBER \_\_\_\_\_

NOMINATION SUBMITTED BY \_\_\_\_\_

TELEPHONE NUMBERS (H) \_\_\_\_\_ (W) \_\_\_\_\_

Please attach an additional sheet describing why the property is being nominated. At least one photograph is required and up to three will be accepted. The gardens and landscapes can be from any time in 2007 and can range from small container gardens to large landscapes. Winners selected from the Historic Triangle will automatically advance to a statewide contest being implemented by Virginia Tech's Anniversary Garden Committee. Please note, if you are a local contest winner, you will need to provide a plant list for submission to the state contest. For additional information visit [www.historictriangle.net](http://www.historictriangle.net)

## ***CRITERIA and CATEGORIES***

### **CATEGORY 1A and 1B -- Small Business (1A) and Large Business (1B)**

Criteria for consideration include overall landscaping design, improved and/or new lighting, signage, and general appearance. A large business is defined as having 100 employees or more, a small business as having 99 employees or less.

### **CATEGORY 2 -- Neighborhood Entrances**

Neighborhoods that provide a major entry focal point to the area. Criteria include overall landscaping theme, seasonal plantings and decorations, signage, tree plantings and preservation and maintenance. Condominiums and apartment complexes are included in this Neighborhood Category.

### **CATEGORY 3A and 3B -- Individual Residences: Professionally Designed/Implemented (3A) and Resident Designed and Implemented (3B)**

Citizens who have demonstrated a commitment to the beautification of the community, through leadership in the areas of landscape design, maintenance, conservation and preservation. This category includes those residences where a professional landscape firm has designed and implemented the landscaping scheme and those residences where the owner has designed and implemented the landscape project.

### **CATEGORY 4A, 4B and 4C -- Institutions: Government (4A), Non-Government (4B), and Schools (4C)**

Institutions that have contributed significantly to the continuing attractiveness, Conservation and environmental preservation of the Historic Triangle area. Public and private schools that have implemented formal or informal horticultural programs in their curriculum.

### **CATEGORY 5 -- Beautification Partnerships**

Service clubs, civic organizations, garden clubs, and Boy/Girl Scout troops who have partnered with a small or large business, neighborhood, individual residence, institution, or school to help beautify and improve the environment.
